Dear Gordon,

It is perhaps rather late in the day to be writing to you about what follows, but I have recently been thinking seriously about matters connected with the closing of this Fund.

For the sake of completeness it would be a good thing if we could publish in the final report some details about the results of the various means of raising money. I think it would be quite sufficient if we could produce figures under the following headings:-

(1) Direct collections whether received as the result of ordinary donations, house to house visits, or collecting boxes.

(2) Flagdays.

(3) Raffles and similar schemes.

(4) Benefit performances of any kind.

I know that one Province already keeps collections under these and other headings.

If there is any difficulty about separating collections under all the above heads it would suffice perhaps if the figures for flagdays and for any other major special scheme were available. I would like - in justice to the donor - to be able to show the profits from the flags at all events: any other information will always be welcome.

Yours sincerely,

Sd. R.O. Chamier.

No.Don.543

6 Kennedy House Annexe,
Simla S.W.
31st August 1938.

Dear Gordon,

It seems that my letter No.Don.518 of the 16th of August has given a false impression in certain areas. In one case it was assumed that the Fund was to close now and in another that the Fund would be closing before the twelve months were up.

2) I am sorry that any such impressions should have originated from perhaps a carelessly worded letter. Her Excellency originally laid down that the Appeal would remain open for twelve months, and so far as I know the 30th of November is the closing date. I hope to get a definite ruling on this point from Her Excellency during the course of September.

3) In this connection one province has suggested that the Appeal should remain open for an extra six months, while yet another province has been aiming at the end of February 1939. I will be interested to have any other views on this subject.

4) I think the real point is this. Even if the full million pounds at which Her Excellency aimed were to be received during the course of the Appeal this sum would be totally inadequate to finance the campaign in India as a whole. So that when the Appeal closes it does not mean that the Fund shuts down. In fact it is only on the closure of the Appeal that the new Association comes into being, and it is hoped that this Association will continue to flourish and expand in the years to come. Therefore it is hoped that whatever date may see the end of the Appeal itself subscriptions and donations will continue to flow into the coffers of the provincial and other branches of the Fund.

Yours sincerely,
Sd. R. deChamier.

Demi-official letter from Lieut.-Colonel Chamier, Secretary, King Emperor's Anti-Tuberculosis Fund, No.Don.685, dated the 5th December 1938.

---:0:----

Thank you for your demi-official R.Dis.No.F.9-38/ R.O.II, of 30th November.

There is no possible objection to Mysore continuing to collect on behalf of the King-Emperor's Fund: in fact one hopes that collections will become an annual event. But for the purposes of synchronisation and adjustment of the accounts we must stick to 31st December, as explained in Her Excellency's recent letter to the Resident, for the technical closing of her Appeal.

The Honorary Treasurer has sent out a circular about the making up of accounts, and if anyone will let us have their figures (and their cash !) in accordance with the terms of this circular then whatever they can get after our closing date is theirs.

To

The Treasurers of all Appeal Committees in Provinces, Administrations and States.

Dear Sirs,

As has already been announced in the Press, it has been decided that the collection of donations in response to the Appeal should cease officially on the 31st of December 1938. It is recognised, however, that in some cases there may be amounts promised or otherwise due on the 31st December which for obvious reasons it is desirable to realise and credit to the Appeal. Efforts should, therefore, be made to realise expeditiously all such amounts so that there may be no avoidable delay in the preparation of the final accounts.

2. It is suggested that the following arrangements in connection with the closing of the Appeal be made. All moneys raised in various local areas should be collected promptly and remitted to the Central account at New Delhi. Instructions should be issued to the local authorities to prepare accounts of all collections made and expenses incurred therefrom and to submit them to the Committees at the headquarters of the Province, Administration or State concerned as soon after the 31st December 1938 as is possible consistently with the desirability of including in the accounts all sums which, as stated in the preceding paragraph, should be included in the total of the Appeal. These accounts, after necessary examination, should be consolidated, and a statement of account in the annexed form should be prepared and furnished to me as soon as possible.

In this connection, the following points may be specially kept in view:—

(a) As is provided in the form of the account itself, a statement showing particulars of remittances made to New Delhi should be forwarded to facilitate reconciliation.

(b) The certificate of correctness, which should be recorded on the account itself, should be by an Auditor specially appointed for the purpose and not by the Treasurer himself.

Dear Sir,

The audited account of the collections of your State has not yet been received. While it is recognised that there must be good reasons for the delay which has occurred, it must be explained that the work of paying out returnable proportions and consequently the whole work connected with the Appeal is being unduly prolonged. I am, therefore, desired to request that you will kindly do all in your power to expedite matters.

This is bad -

Will you kindly let me know when the account of your State may be expected by me ?

(*Hon. Secretary*).

1. The proceedings of the meeting of the Committee held on the 5th October 1938 were read and confirmed.

2. The statement of collections up to the end of December 1938 was reviewed. The collections, including the contribution of His Highness the Maharaja and of the Government, aggregated Rs. 1,54,654–8–3. Only a sum of about Rs. 8,000 had been collected since the last meeting and there were promises to the extent of Rs. 3,000 yet to be fulfilled.

3. Letter No. 601/B.2, dated the 11th Feb. 1939, from the Comptroller to the Government, intimating that a sum of Rs. 1,50,861–13–3 had been remitted to the Central Fund at New Delhi, was read and recorded.

4. It was reported that in accordance with the desire of Her Excellency the Marchioness of Linlithgow, the collections to the Fund had been closed with effect from the 31st December 1938, except in so far as it concerned the fulfilment of promises already made. The new Tuberculosis Association of India had been formed and was taking over the funds and duties of the King George's Thanksgiving (Anti-Tuberculosis) Fund and the Government had approved of the formation of a State Association which would be affiliated to the Tuberculosis Association of India. In these circumstances, it was appropriate that the present Committee should wind up their business and submit a report of their work to the Government. A draft prepared in this behalf by the Chairman, making recommendations regarding the constitution of the State Tuberculosis Association and the distribution of the funds collected among the districts for establishment of local memorials, was considered and approved. The draft is printed as Appendix A.

5. A letter from Dr. K. Pana, Physician, Accoucheur and Surgeon, Bangalore, offering a tuberculosis picture poster was read and the offer was accepted with thanks. It was agreed that the poster should be made over to the State Association as soon as it was formed.

6. Letter No. 522/B. II, dated the 12th January 1939, from the Comptroller to the Government, regarding the submission of audited accounts was read, with the reply sent by the Hon. Secretary, which was approved. It was agreed, as suggested in the letter, to keep the collections after the 1st January 1939 under suspense and to credit them to the State Association as soon as it was formed.

7. Letter No. G. 6135/Med. 119-137, dated the 19th December 1938, from the Secretary to Government, Local Self-Government Department, forwarding copy of a draft memorandum on the constitution of State Tuberculosis Associations was read, and it was agreed to refer this to the new Association to be formed.

At the conclusion of the meeting, Chief Justice Sir D'Arcy Reilly proposed a hearty vote of thanks to the Chairman of the Committee, Sir Charles Todhunter, for all that he had done to carry the work of the Committee to a successful conclusion. The vote of thanks was unanimously passed.

Subject:- Closing of the accounts relating to the King Emperor's Anti-Tuberculosis Fund for the period ended 31st December 1938.

In forwarding herewith a copy of letter No.G.11637 Med. 119-37-74 dated the 17th May 1939 from the Secretary to Government of Mysore, Local Self Government Department, on the subject noted above, together with a copy of each of its enclosures, I have the honour to request you to kindly make very early arrangements for the audit of the accounts of the fund and for the transmission of the same to Government through this office.

2. Arrangements were made, on the 18th May 1939, for the final payment, to the Honorary Treasurer of the Central Fund, New Delhi, of a sum of Rs. 398-6-11, being the interest due to the fund to end of December 1938.

3. A certified statement showing the receipts at the treasuries for the period ended December 1938 and the payments made to the Honorary Treasurer of the Central Fund, New Delhi, to-date, against them, is sent herewith. Another statement showing the total amount for which audited statements have now to be prepared, is sent herewith, for facility of reference. In this connection, it may be stated tht the statement of account to end of December 1938 sent with your letter No. 2051 dated the 19th January 1939 and not the upto-date statement sent with your letter No.2051 dated the 8/10th May 1939, has to be taken as the basis for preparing the final accounts, as only accounts for the period ending December 1938 have to be sent to the Honorary Treasurer of the Central Fund.

4. This disposes of your letter No.2051 dated the 8/10th May 1939. It is noted that all the collections received after the 31st December 1938 have to be kept under suspense and credited to the State Association when it is formed.
